DEVELOPMENT DEPARTMENT

G.O.Ms.No. 5276 Dated the 1st November 1949.

Read the following:-

1) G.O.No. 5613 (Ms) Development dated 12-11-1948.
2) G.O.No. 2212 (Ms) Development dated 25-4-1949.

Letter from the Registrar of Co-operative Societies No.Rc.24416/49-A-dated-30-5-1949.

O R D E R:-

In his letter cited above, the Registrar of Co-operative Societies has renewed the proposal to employ at the cost of the Government additional supervisors at the rate of one supervisor for every 12 agricultural credit societies in the Rayalaseema and has requested that the orders issued in paragraph 4 of G.O. No. 2212(Ms) Development dated 25-4-1949, may be reconsidered. The Government have sanctioned in G.O. No. 5613(Ms) Development dated 12-11-1948 an expenditure of Rs. 1,27,020 per annum for a period of two years for payment of subsidy to all Co-operative Central Banks in this Province, in order to enable them to meet the cost of the additional supervisors to be employed at the rate of one supervisor for every 20 village credit societies. The Registrar states that this staff will not be sufficient, so far as the Rayalaseema is concerned, in view of the backward condition of the area. According to him, greater attention should be paid to the credit societies in the Rayalaseema than in other areas of the Province and the task of introducing multipurpose activities in these societies will also be more difficult than in societies in other districts. The number of additional supervisors required for the Rayalaseema area on the basis of one supervisor for every 12 societies excluding reserves is 46 and the extra cost involved is estimated at Rs. 40,296 per annum at the rate of Rs. 40 (pay) plus Rs. 18 (Dearness allowance) plus Rs. 15 (Fixed Travelling Allowance) or Rs. 73 in all per supervisor. The Registrar has also suggested that, if the Government should meet the cost of these additional supervisors, the five Central Banks in the Rayalaseema may be asked to appoint at their own cost one Co-operative Sub-Registrar each to function as Executive Officer.

2. The Government accept the Registrar's proposal but direct that the number of additional supervisors to be employed be limited to one supervisor for every 15 agricultural credit societies in the Rayalaseema, as against the Registrar's standard of one for every 12 societies and the general standard of one for every 20 societies applicable to the rest of the Province. The total number of additional supervisors required will then be 25, as against 46 applied for by the Registrar and the extra cost involved will be reduced from Rs. 40,296 to Rs. 21,900 per annum. His Excellency the Governor of Madras accordingly sanctions the payment of a subsidy not exceeding Rs. 21,900 (Rupees twenty one thousand nine hundred only) per annum for a period of five years to the five Central Banks at Anantapur, Hospet, Chittoor, Cuddapah and Kurnool in order to enable them to employ additional supervisors at the rate of one Supervisor for every 15 agricultural credit societies within their respective jurisdictions. The amount of subsidy will be placed at the disposal of the Registrar and he is authorised to disburse the subsidy to the five Central Banks concerned, as and when they ~~appoint~~ appoint the additional supervisors.

3. The Government direct that each of the five Central banks concerned should appoint one Co-operative Sub-Registrar as Executive Officer at their own cost. The Registrar is requested to see that a set of service rules is drawn up and adopted, in order to vest in the Co-op-

Co-operative Sub-Registrars to be appointed as Executive Officers complete control over the entire staff of supervisors.

4. The expenditure on account of the subsidy sanctioned in paragraph 2 above should be debited to "42-Co-operation-C.Grants--in-aid". The Registrar is requested to apply for the necessary additional appropriation in due course. Pending provision of funds the Accountant-General is requested to admit the expenditure in audit.
